Overview

On February 27, 2026, Wyndham Hotels & Resorts, Inc. (the “Company”), the guarantors party thereto and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), entered into the Seventh Supplemental Indenture (the “Seventh Supplemental Indenture”) to the Indenture, dated April 13, 2018 (the “Base Indenture” and, together with the Seventh Supplemental Indenture, the “Indenture”), in connection with the issuance and sale of \$650,000,000 aggregate principal amount of 5.625% senior notes due 2033 (the “Notes”) to J.P. Morgan Securities LLC and certain other initial purchasers (collectively, the “Initial Purchasers”) (the “Offering”). The Offering was completed on February 27, 2026. The Company used the net proceeds from the sale of the Notes to repay all of the outstanding borrowings under its term loan A and under its revolving credit facility, to pay related fees and expenses and for general corporate purposes.

Interest; Ranking; Guarantees

The Notes bear interest at a rate of 5.625% per year payable semi-annually in arrears on March 1 and September 1 of each year, commencing September 1, 2026. The Notes and the related guarantees are senior unsecured obligations and are equal in right of payment with the Company’s existing and future senior indebtedness from time to time outstanding, including borrowings under the Company’s credit facilities and the Company’s 4.375% Notes due 2028. The Notes and the related guarantees are effectively senior in right of payment to the Company’s existing and future subordinated indebtedness. The Notes and the related guarantees are effectively subordinated in right of payment to any secured indebtedness, including indebtedness outstanding under the credit facilities, to the extent of the value of the assets securing such indebtedness and structurally subordinated in right of payment to all existing and future indebtedness and other liabilities of the Company’s non-guarantor subsidiaries.

The Notes are guaranteed fully and unconditionally, and jointly and severally, on a senior unsecured basis by certain of the Company’s domestic wholly owned restricted subsidiaries that guarantee the Company’s obligations under its credit facilities.

Optional Redemption

The Notes are redeemable at any time prior to March 1, 2029 in whole or in part, at the Company’s option, at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes being redeemed and (ii) a “make-whole” price specified in the Indenture and the Notes, plus accrued and unpaid interest on the principal amount of the Notes being redeemed to, but not including, the redemption date. In addition, at any time prior to March 1, 2029 the Company may, at its option, redeem up to 40% of the aggregate principal amount of the Notes with the net proceeds of certain equity offerings, at the redemption price specified in the Indenture.

The Notes are redeemable at any time on or after March 1, 2029 in whole or in part, at the Company’s option, at the redemption prices set forth in the Indenture (in each case together with accrued and unpaid interest on the principal amount of the Notes being redeemed to, but not including, the redemption date.): at any time on and after March 1, 2029, 102.813%; at any time on and after March 1, 2030, 101.406%; and at any time on and after March 1, 2031, 100.000%.

Change of Control

Subject to certain limitations, in the event of a Change of Control Triggering Event (as defined in the Indenture), the Company will be required to offer to repurchase the Notes at a price of 101.000% of their principal amount plus accrued and unpaid interest, if any, to, but not including, the date of repurchase.

Covenants; Events of Default

The Indenture contains certain covenants, including, among others, covenants that restrict the ability of the Company and certain of its subsidiaries to incur debt secured by liens and to enter into sale and leaseback transactions. The Indenture also contains customary provisions for events of default (subject in certain cases to customary grace and cure periods) including for failure to pay principal or interest when due and payable, failure to comply with covenants or warranties in the Indenture or the Notes and failure to cure or obtain a waiver of such default upon notice, a default under other debt of the Company or certain of its subsidiaries such that at least \$75 million aggregate principal amount of indebtedness is accelerated, which acceleration has not been rescinded or annulled within 45 days of notice, and events of bankruptcy, insolvency or reorganization affecting the Company and certain of its subsidiaries. In the case of an event of default, the principal amount of the Notes plus accrued and unpaid interest may be accelerated.

Certain Relationships

The Initial Purchasers and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial lending services in the ordinary course of business with the Company or its affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions. Additionally, certain other Initial Purchasers are lenders and/or agents under the Company's credit facilities. The Company used the net proceeds from the sale of the Notes to repay all of the outstanding borrowings under its term loan A and under its revolving credit facility, to pay related fees and expenses and for general corporate purposes. To the extent the Initial Purchasers or their affiliates are lenders and/or agents under the Company's credit facilities, they received a portion of the net proceeds from the sale of the Notes.

The description of the Notes and the Indenture in this Current Report on Form 8-K (this "Current Report") are summaries, and are qualified in their entirety by reference to the complete terms of the Indenture and the form of Note included therein. The Base Indenture, the Seventh Supplemental Indenture and the form of Note are filed hereto as Exhibits 4.1, 4.2 and 4.3, respectively, and are incorporated by reference herein.

WHEREAS, the Company is entering into this Supplemental Indenture to, among other things, establish the form and terms of the Company’s new series of 5.625% Notes due 2033 (the “*Notes*”) pursuant to the Base Indenture, as modified by this Supplemental Indenture;

WHEREAS, Section 9.01 of the Base Indenture provides that the Company and Guarantors may conform the Base Indenture, as amended and supplemented, or the Notes, as amended or supplemented, to the description and terms of such Notes in the offering memorandum, prospectus supplement or other offering document applicable to such Notes at the time of the initial sale thereof; and

WHEREAS, all conditions necessary to authorize the execution and delivery of this Supplemental Indenture and to make it a valid and binding obligation of the Company have been done or performed.

The terms defined in this Section 1.01 (except as herein otherwise expressly provided or unless the context of this Supplemental Indenture otherwise requires) for all purposes of this Supplemental Indenture and of any indenture supplemental hereto that governs the Notes have the respective meanings specified in this Section 1.01. Each term defined in the Base Indenture and not otherwise defined herein has the same meaning when used in this Supplemental Indenture as in the Base Indenture (except as herein otherwise expressly provided or unless the context of this Supplemental Indenture otherwise requires).

(1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Company and its Subsidiaries taken as a whole to any “person” (as that term is used in Section 13(d)(3) of the Exchange Act) other than the Company or one of its Subsidiaries;

(2) the adoption of a plan relating to the Company’s liquidation or dissolution; or

(3) any “person” (as the term is used in Section 13(d)(3) of the Exchange Act) becomes the Beneficial Owner, directly or indirectly, of more than 50% of the voting power of the Voting Stock of the Company.

Notwithstanding the foregoing, (a) a transaction will not be deemed to involve a Change of Control solely as a result of the Company becoming a direct or indirect wholly-owned Subsidiary of a holding company if (A) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction or (B) immediately following that transaction no Person (other than a holding company satisfying the requirements of this sentence) is the Beneficial Owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company and (b) the right to acquire Voting Stock (so long as such Person does not have the right to direct the voting of the Voting Stock subject to such right) or any veto power in connection with the acquisition or disposition of Voting Stock will not cause a party to be a beneficial owner.

“*Change in Domicile*” has the meaning assigned to it in Section 4.05(b) of this Supplemental Indenture.

“*Change of Control Triggering Event*” means (x) a Change of Control that is accompanied or followed by a downgrade of the Notes within the Ratings Decline Period by each of Moody’s and S&P (or, in the event S&P or Moody’s or both shall cease rating the Notes (for reasons outside the control of the Company) and the Company shall select any other Rating Agency, the equivalent of such ratings by such other Rating Agency) and (y) the rating of the Notes on any day during such Ratings Decline Period is below the lower of the rating by such Rating Agency in effect (i) immediately preceding the first public announcement of the Change of Control (or occurrence thereof if such Change of Control occurs prior to public announcement) and (ii) the date on which the Notes are originally issued under the Indenture. Notwithstanding the foregoing, a downgrade will not be deemed to have occurred in respect of a particular Change of Control (and thus will not be deemed a downgrade for purposes of the definition of Change of Control Triggering Event) if the rating agencies making the reduction in rating do not announce or publicly confirm or inform the Trustee in writing at the Company’s request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control has occurred at the time of the reduction in rating).

“*Comparable Treasury Issue*” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term (assuming that the Notes matured on March 1, 2029) (“Remaining Life”) of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life.

“*Comparable Treasury Price*” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations or, if only one such Reference Treasury Dealer Quotation is obtained, such Reference Treasury Dealer Quotation.

“*Consolidated Depreciation and Amortization Expense*” means, with respect to any Person for any period, the total amount of depreciation and amortization expense, including the amortization of deferred financing fees or costs, capitalized expenditures, customer acquisition costs and incentive payments, conversion costs and contract acquisition costs, the amortization of original issue discount resulting from the issuance of Indebtedness at less than par and amortization of favorable or unfavorable lease assets or liabilities, of such Person, its Subsidiaries and Consolidated Joint Ventures for such period on a consolidated basis and otherwise determined in accordance with GAAP.

“*Consolidated EBITDA*” means, with respect to any Person for any period, the Consolidated Net Income of such Person for such period:

(iii) Consolidated Depreciation and Amortization Expense of such Person for such period to the extent the same were deducted (and not added back) in computing Consolidated Net Income; plus

(iv) any expenses or charges (other than depreciation or amortization expense) related to any equity offering, Investment, acquisition, disposition or recapitalization permitted hereunder or the incurrence of Indebtedness permitted to be incurred hereunder (including a refinancing thereof) (in each case, whether or not successful), including (a) such fees, expenses or charges related to the incurrence of the loans under the Credit Agreement and any other credit facilities or the offering of debt securities and (b) any amendment or other modification of the Indenture, any other credit facilities or other Indebtedness or the offering of debt securities (in each case, whether or not successful), in each case, deducted (and not added back) in computing Consolidated Net Income; plus

(v) (i) the amount of any restructuring charge, accrual or reserve (and adjustments to existing reserves), integration cost or other business optimization expense or cost (including charges directly related to the implementation of cost-savings initiatives) that is deducted (and not added back) in such period in computing Consolidated Net Income, including any one-time costs incurred in connection with acquisitions or divestitures, including those related to any severance, retention, signing bonuses, relocation, recruiting and other employee related costs, internal costs in respect of strategic initiatives and curtailments or modifications to pension and post-retirement employment benefit plans (including any settlement of pension liabilities), systems development and establishment costs, future lease commitments and costs related to the opening and closure and/or consolidation of facilities and to exiting lines of business and consulting fees incurred with any of the foregoing and (ii) fees, costs and expenses associated with acquisition related litigation and settlements thereof; plus

(vi) any other non-cash charges, write-downs, expenses, losses or items reducing Consolidated Net Income for such period; plus

(vii) (1) pro forma adjustments in respect of cost savings, operating expense reductions and cost synergies relating to any Specified Transaction or the implementation of an operational initiative or operational change, in each case, projected by the Company in good faith to result from actions taken or expected to be taken (in the good faith determination of the Company) within 24 months after the date any such transaction is consummated and (2) the amount of “run-rate” cost savings, synergies and operating efficiencies projected by the Company in good faith to be realized in connection with any Specified Transaction or the implementation of an operational initiative or operational change, in each case, within 24 months after the date any such transaction is consummated (which cost savings, synergies or operating efficiencies shall be determined by the Company in good faith and shall be calculated on a Pro Forma Basis as though such cost savings, synergies or operating efficiencies had been realized on the first day of such period), net of the amount of actual benefits realized prior to or during such period from such actions; provided that, in the case of each of clause (1) and (2), the Company shall have determined in good faith that such cost savings or synergies are reasonably identifiable, reasonably attributable to the actions specified and reasonably anticipated to result from such actions; plus

(viii) any costs or expense incurred by the Company or a Restricted Subsidiary pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement, to the extent that such costs or expenses are funded with cash proceeds contributed to the capital of the Company or Net Cash Proceeds of an issuance of Capital Stock; plus

(ix) cash receipts (or any netting arrangements resulting in reduced cash expenditures) not representing Consolidated EBITDA or Consolidated Net Income in any period to the extent non-cash gains relating to such income were deducted in the calculation of Consolidated EBITDA pursuant to paragraph (b) of this definition below for any previous period and not added back; plus

(x) to the extent not already included in Consolidated Net Income, proceeds of business interruption insurance (to the extent actually received and net of expenses incurred to obtain such proceeds, unless otherwise deducted in determining Consolidated Net Income); plus

(xi) any net loss included in Consolidated Net Income attributable to non-controlling interests pursuant to the application of Accounting Standards Codification Topic 810-10-45; plus

(xii) realized foreign exchange losses resulting from the impact of foreign currency changes on the valuation of assets or liabilities on the balance sheet of the Company and its Restricted Subsidiaries; plus

(b) decreased (without duplication) by the following:

(i) non-cash gains increasing Consolidated Net Income of such Person for such period, excluding any non-cash gains to the extent they represent the reversal of an accrual or reserve for a potential cash item that reduced Consolidated EBITDA in any prior period and any non-cash gains with respect to cash actually received in a prior period so long as such cash did not increase Consolidated EBITDA in such prior period; plus

(ii) realized foreign exchange income or gains resulting from the impact of foreign currency changes on the valuation of assets or liabilities on the balance sheet of the Company and its Restricted Subsidiaries; plus

(iii) any net realized income or gains from any obligations under any Swap Contracts or embedded derivatives that require similar accounting treatment and the application of Accounting Standard Codification Topic 815 and related pronouncements; plus

(a) For purposes of calculating any financial ratio or test, transactions that have been made (i) during the applicable Test Period and subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period. If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Company or any of its Restricted Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment, then such financial ratio or test shall be calculated to give pro forma effect thereto.

(c) In the event that the Company or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of any financial ratio or test (in each case, other than Indebtedness incurred or repaid under any revolving credit facility), (i) during the applicable Test Period subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Test Period.

Notwithstanding anything in this definition to the contrary, when calculating the Secured Leverage Ratio in connection with a Limited Condition Acquisition, the date of determination of such ratio and of any Default or event of default blocker shall, at the option of the Company, be the date the definitive agreements for such Limited Condition Acquisition are entered into and such ratio shall be calculated on a Pro Forma Basis after giving effect to such Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any Incurrence of Indebtedness and the use of proceeds thereof) as if they occurred at the beginning of the applicable Test Period, and, for the avoidance of doubt, (x) if any of such ratios are exceeded as a result of fluctuations in such ratio (including due to fluctuations in Consolidated EBITDA of the Company or the target company) at or prior to the consummation of the relevant Limited Condition Acquisition, such ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the Limited Condition Acquisition is permitted hereunder and (y) such ratio shall not be tested at the time of consummation of such Limited Condition Acquisition or related transactions; provided further, that if the Company elects to have such determinations occur at the time of entry into such definitive agreement, any such transactions shall be deemed to have occurred on the date the definitive agreements are entered and outstanding thereafter for purposes of calculating any ratios under the Indenture after the date of such agreement and before the consummation of such Limited Condition Acquisition.

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage or this Supplemental Indenture. Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Supplemental Indenture and the Company and the Trustee, by their execution and delivery of this Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture shall govern and be controlling.

b) *Global Notes.* Notes issued in global form shall be substantially in the form of Exhibit A (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A (without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06.

c) *Form of Initial Notes, Etc.* All Initial Notes issued on the Issue Date are to be initially represented by one or more Restricted Global Notes.

At any time and from time to time after the execution and delivery of this Supplemental Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication; and the Trustee shall authenticate and deliver (i) Initial Notes for original issue in the aggregate principal amount of \$500,000,000 and (ii) Additional Notes from time to time for original issue in aggregate principal amount specified by the Company, in each case specified above, upon a written order of the Company signed by an Officer of the Company (an “*Authentication Order*”). The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

- (ii) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10 and 9.05 of the Indenture).
- (iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.
- (iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Supplemental Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(xi) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depository.

(xii) Notwithstanding anything contained herein, any transfers, replacements or exchanges of Notes, including as contemplated in this Article 2, shall not be deemed to be an incurrence of Indebtedness.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional legally binding obligation of the Company and shall be entitled to all of the benefits of this Supplemental Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions of this Supplemental Indenture, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company or a Subsidiary thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Supplemental Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in its customary manner. The Company may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, which interest on defaulted interest shall accrue until the defaulted interest is deemed paid hereunder, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall deliver or cause to be delivered to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 CUSIP Numbers.

The Company in issuing the Notes may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the “CUSIP” numbers for the Notes.

**ARTICLE 3
REDEMPTION AND PREPAYMENT**

With respect to the Notes only, Article III of the Base Indenture is hereby replaced with the following:

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07, they shall furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer’s Certificate setting forth (i) the clause of this Supplemental Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed.

Notice of any redemption will be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository’s procedures) at least 10 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed.

In the case of partial redemption, selection of the Notes for redemption will be made in accordance with the policies and procedures of the Trustee. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to the Note will state the portion of the principal amount of the Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of the Note will be issued in the name of the Holder of the Note upon surrender for cancellation of the original Note. For so long as the Notes are held by DTC (or another depository), the redemption of the Notes shall be done in accordance with the policies and procedures of the Depository.

Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

Section 3.03 Notice of Redemption.

At least 10 days but not more than 60 days before a redemption date, the Company shall deliver or cause to be delivered, by first class mail or electronically in accordance with the procedures of the Depository, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed and shall state:

- a) the redemption date;
- b) the redemption price;
- c) if any Note is being redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- d) the name and address of the Paying Agent;
- e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- f) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption and redeemed shall cease to accrue on and after the redemption date;
- g) the paragraph of the Notes and/or Section of this Supplemental Indenture pursuant to which the Notes called for redemption are being redeemed;
- h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- i) any conditions to the Company's obligations to redeem the Notes as contemplated by Section 3.04 and Section 3.07(d).

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 13 business days prior to the redemption date (or such shorter period as may be agreed by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is delivered in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price; *provided* that any redemption or notice of any redemption may, at the Company's discretion, be subject to one or more conditions precedent as contemplated by Section 3.07(d).

Section 3.05 Deposit of Redemption Price.

At or prior to 11:00 a.m., New York City time, on the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed in Part.

No Notes of \$2,000 principal amount or less shall be redeemed in part. Upon surrender of a Note that is redeemed in part, the Company shall issue and, upon the Company's written request, the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

Section 3.07 Optional Redemption.

a) At any time prior to March 1, 2029, the Company may, at its option, redeem all or any portion of the Notes on not less than 10 nor more than 60 days' prior notice mailed (or, in the case of Global Notes, delivered electronically in accordance with the procedures of the Depository) to Holders of the Notes to be redeemed at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to:

(ii) not less than 50% of the original aggregate principal amount of the Notes remain outstanding immediately thereafter (including Notes that are being called for redemption but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all the Notes are redeemed substantially concurrently.

d) Any redemption and notice of redemption may, at the Company's option, be subject to the satisfaction of one or more conditions precedent (including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event), and may include multiple amounts of Notes that may be redeemed and the conditions precedent applicable to such amounts. Such notice shall state that, at the Company's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. Notice of any redemption in respect thereof may be given prior to the completion thereof and may be partial as a result of only some of the conditions being satisfied. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

e) If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest, if any, will be paid on the redemption date to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

a) Any documents or reports that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act shall be filed by the Company with the Trustee within 15 days after the same are required to be filed with the SEC (after giving effect to any grace period provided by Rule 12b-25 under the Exchange Act). Documents, reports or other information filed by the Company with the SEC via EDGAR shall be deemed to be filed with the Trustee as of the time such documents or reports are filed via EDGAR.

b) Whether or not the Company is subject to Section 13 or 15(d) of the Exchange Act, the Company shall, within 30 days after each of the respective dates by which the Company would have been required to file annual reports or quarterly reports if the Company were so subject, furnish to the Trustee (i) all financial statements that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, a "Management's Discussion and Analysis of Financial Condition and Results of Operations," and a report on the annual financial statements by the Company's independent registered public accounting firm and (ii) after the end of each of the first three fiscal quarters of each fiscal year, all financial statements that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC. Substantially concurrently with the furnishing or making such information available to the Trustee pursuant to this Section 4.03(b), the Company shall also post copies of such information required by this Section 4.03(b) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to Holders of the Notes. Documents, reports or other information filed or furnished by the Company with the SEC via EDGAR shall be deemed to be filed with the Trustee and shall satisfy the requirement to post copies of such information on a website in the immediately preceding sentence as of the time such documents, reports or other information are filed or furnished via EDGAR.

c) Notwithstanding anything to the contrary set forth above, if the Company or any parent entity of the Company has furnished to the Holders of the Notes and the Trustee or filed with the SEC the reports described above with respect to the Company or any parent entity of the Company, the Company shall be deemed to be in compliance with the requirements set forth in Sections 4.03(a) and 4.03(b); provided that, if the financial information so furnished relates to any parent entity of the Company, the same is accompanied by consolidating information, that explains in reasonable detail the differences between the information relating to such parent entity, on the one hand, and the information relating to the Company on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

d) In addition, the Company and the Guarantors have agreed that they will make available to the Holders and to prospective investors, upon the request of such Holders, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act. For purposes of Section 4.03, the Company and the Guarantors will be deemed to have furnished the reports to the Trustee and the Holders of Notes as required by this covenant if such reports have been filed with the SEC via the EDGAR filing system or such reports are publicly available.

e) Notwithstanding anything contained herein, if not filed with the SEC but made publicly available to the Trustee and the registered Holders of the Notes in the event that the Company or any parent entity is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, (a) such information will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC and (b) such information will not be required to contain the separate financial information for Guarantors as contemplated by Rule 3-10 of Regulation S-X or Subsidiaries whose securities are pledged to secure the Notes as contemplated by Rule 13-02 of Regulation S-X or any financial statements of unconsolidated Subsidiaries or 50% or less owned persons as contemplated by Rule 3-09 of Regulation S-X or any schedules required by Regulation S-X, or in each case any successor provisions.

f) The Trustee will have no responsibility to determine whether the filing of such financial statements pursuant to this Section 4.03 has occurred. Delivery of such reports, information, and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants under the Indenture (as to which the Trustee is entitled to rely on Officer's Certificates).

g) Notwithstanding anything to the contrary in Section 6.01, to the extent that the Company elects, pursuant to Section 4.03(h), the sole remedy available to the Holders of the Notes or to the Trustee on their behalf for an Event of Default relating to the Company's failure to comply with its obligations in Section 4.03(a) and 4.03(b), shall, after the occurrence of such an Event of Default, consist exclusively of the right to receive additional interest on the Notes at a rate equal to:

(i) 0.25% per annum of the principal amount of the Notes outstanding for each day during the 60-day period beginning on, and including, the occurrence of such an Event of Default during which such Event of Default is continuing; and

(ii) 0.50% per annum of the principal amount of the Notes outstanding for each day during the 120-day period beginning on, and including, the 61st day following, and including, the occurrence of such an Event of Default during which such Event of Default is continuing;

provided, however, that in no event shall such additional interest accrue at an annual rate in excess of 0.50% during the six-month period beginning on, and including, the date which is six months after the last date of original issuance of the Notes for any failure to timely file any document or report that the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act, as applicable (after giving effect to all applicable grace periods thereunder and other than reports on Form 8-K).

h) If the Company elects, additional interest shall be payable in the same manner and on the same dates as the stated interest payable on the Notes. On the 181st day after such Event of Default (if the Event of Default relating to the reporting obligations is not cured or waived prior to such 181st day), the Notes shall be subject to acceleration as provided in Section 6.02 of the Base Indenture. This Section 4.03(h) shall not affect the rights of Holders of the Notes in the event of the occurrence of any Event of Default unrelated to this Section 4.03. In the event that the Company does not elect to pay the additional interest following an Event of Default in accordance with this Section 4.03(h), the Notes shall be subject to acceleration as provided in Section 6.02 of the Base Indenture.

i) In order to elect to pay additional interest as the sole remedy during the first 180 days after the occurrence of an Event of Default relating to the Company's failure to comply with the reporting obligations, the Company must notify, in writing, all Holders of the Notes and the Trustee and Paying Agent of such election prior to the beginning of such 180-day period. Upon the Company's failure to timely give such notice, the Notes shall be immediately subject to acceleration as provided in Section 6.02 of the Base Indenture.

Section 4.04 Compliance Certificate.

a) The Company shall furnish to the Trustee annually, within 120 days after the end of each fiscal year, a brief certificate from the principal executive officer, principal financial officer, principal accounting officer, executive vice president, senior vice president, vice president or treasurer as to his or her knowledge of the Company's compliance with all conditions and covenants under the Indenture (which compliance shall be determined without regard to any period of grace or requirement of notice provided under the Indenture) and, in the event of any Default, specifying each such Default and the nature and status thereof of which such person may have knowledge. Such certificates need not comply with Section 11.05 of the Base Indenture.

b) The Company shall, so long as any of the Notes are outstanding, deliver to the Trustee, as soon as possible and in any event within 30 days after the Company becomes aware of the occurrence of any Event of Default or an event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 Additional Amounts.

a) All payments made by the Company, including any successor thereto, on the Notes shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (“Taxes”) unless the withholding or deduction of such Taxes is then required by law.

b) If, pursuant to Section 5.01 of the Base Indenture, as a result of or following a merger or consolidation of the Company with, or a sale by the Company of all or substantially all of its assets to, an entity that is organized under the laws of a jurisdiction outside of the United States (a “Change in Domicile”), any deduction or withholding is at any time required for, or on account of, any Taxes imposed or levied by or on behalf of:

(i) any jurisdiction (other than the United States) from or through which the Company makes (or, as a result of the Company’s connection with such jurisdiction, is deemed to make) a payment or delivery on the Notes, or any political subdivision or governmental authority thereof or therein having the power to tax; or

(ii) any other jurisdiction (other than the United States) in which the Company is organized or otherwise considered to be a resident or doing business for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax (each of clauses (i) and (ii), a “Relevant Taxing Jurisdiction”);

in respect of any payment or delivery on the Notes, the Company shall pay (together with such payment or delivery) such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received in respect of such payment or delivery by each beneficial owner of such Notes after such withholding or deduction (including any such deduction or withholding from such Additional Amounts), shall equal the amount that would have been received in respect of such payment or delivery in the absence of such withholding or deduction; *provided, however*, that Additional Amounts shall be payable only to the extent necessary so that the net amount received by the holder, after taking into account such withholding or deduction, equals the amount that would have been received by the holder in the absence of a Change in Domicile; *provided, further*, that no such Additional Amounts shall be payable with respect to:

(1) any Taxes that would have been imposed absent a Change in Domicile;

(2) any Taxes that would not have been so imposed but for the existence of any present or former connection between the beneficial owner (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over the relevant beneficial owner, if the relevant beneficial owner is an estate, nominee, trust or corporation) and the Relevant Taxing Jurisdiction (including the beneficial owner being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) other than by the mere ownership or holding of such Note or enforcement of rights thereunder or the receipt of payments in respect thereof;

(3) any Taxes that would not have been so imposed if the beneficial owner had made a declaration of non-residence or any other claim or filing for exemption to which it is entitled (provided that (x) such declaration of non-residence or other claim or filing for exemption is required by the applicable law of the Relevant Taxing Jurisdiction as a precondition to exemption from the requirement to deduct or withhold such Taxes and (y) at least 30 days prior to the first payment date with respect to which such declaration of non-residence or other claim or filing for exemption is required under the applicable law of the Relevant Taxing Jurisdiction, the relevant beneficial owner at that time has been notified in accordance with the procedures set forth in Section 11.02 of the Base Indenture by the Company or any other person through whom payment may be made that a declaration of non-residence or other claim or filing for exemption is required to be made);

(4) any Note presented for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the beneficial owner (except to the extent that the beneficial owner would have been entitled to Additional Amounts had the Note been presented during such 30 day period);

(5) any Taxes that are payable otherwise than by withholding from a payment or delivery on the Notes;

(6) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other governmental charge;

(7) any Taxes that could have been avoided by the presentation (where presentation is required) of the relevant Note to another Paying Agent in a member state of the European Union;

(8) any Taxes imposed under Sections 1471 through 1474 of the United States Internal Revenue Code of 1986, as amended, as of the date of the indenture (or any amended or successor version that is substantively comparable and not materially more onerous) and any regulations promulgated thereunder or official governmental interpretations thereof (collectively, "FATCA"), to the extent that such Taxes would not have been imposed but for the failure by a Holder of Notes to (i) comply with applicable reporting and other requirements under FATCA and/or (ii) provide, upon reasonable demand by the Paying Agent, and at the time or times prescribed by applicable law, any form, document or certification required under FATCA, which, if provided, would establish that the payments are exempt from withholding under FATCA;

(9) any tax, assessment or other governmental charge that would not have been imposed or withheld but for the beneficial owner being a bank (i) purchasing the Notes in the ordinary course of its lending business or (ii) that is neither (A) buying the Notes for investment purposes only nor (B) buying the Notes for resale to a third-party that either is not a bank or holding the Notes for investment purposes only;

(10) any tax, assessment or other governmental charge that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(11) in the case of any combination of clauses (1), (2), (3), (4), (5), (6), (7), (8), (9) and (10) of this Section 4.05(b); or

(12) where, had the beneficial owner of the Note been the holder of the Note, it would not have been entitled to payment of Additional Amounts by reason of any of clauses (1) to (11) inclusive of this Section 4.05(b).

c) The Company shall (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Company shall use commercially reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes and to the extent received will use commercially reasonable efforts to provide such certified copies to Holders. The Company shall attach to each certified copy a certificate stating (x) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (y) the amount of such withholding Taxes paid per \$1,000 principal amount of the Notes. Copies of such documentation shall be available for inspection during ordinary business hours at the office of the Trustee by the Holders of the Notes upon request and shall be made available at the offices of the Paying Agent.

d) At least 15 days prior to each date on which any payment under or with respect to the Notes is due and payable (unless such obligation to pay Additional Amounts arises shortly before or after the 15th day prior to such date, in which case it shall be promptly thereafter), if the Company shall be obligated to pay Additional Amounts with respect to such payment, the Company shall deliver to the Trustee an Officer's Certificate stating the fact that such Additional Amounts shall be payable, the amounts so payable and shall set forth such other information necessary to enable the Trustee to pay such Additional Amounts to Holders of such Notes on the payment date. Each such Officer's Certificate may be relied upon until receipt of a further Officer's Certificate addressing such matters.

e) References in the Indenture or the Notes to the payment of principal, purchase prices in connection with a purchase of the Notes, interest, or any other amount payable on or with respect to the Notes shall be deemed to include payment of Additional Amounts pursuant to this Section 4.05 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

f) The obligations provided for in this Section 4.05 shall survive any termination, defeasance or discharge of the Indenture and shall apply mutatis mutandis to any jurisdiction in which any successor to the Company is organized or any political subdivision or taxing authority or agency thereof or therein.

Section 4.06 Limitations on Liens.

a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur, assume or enter into a guarantee (collectively “incur”) of any Indebtedness secured by a Lien (other than a Permitted Lien) on any of the Company’s or any of the Company’s Restricted Subsidiaries’ Capital Stock or assets, unless the Company secures the Notes equally and ratably with the Indebtedness secured by such Lien (other than a Permitted Lien) for so long (i) as such Indebtedness is so secured (any such Lien created shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien to which it relates or such Lien constituting a Permitted Lien), or (ii) the Restricted Subsidiary is no longer a Subsidiary of the Company (any such Lien created shall be automatically and unconditionally released and discharged at such time as when such Restricted Subsidiary is no longer a Subsidiary of the Company). The restrictions do not apply to Indebtedness that is secured by Permitted Liens.

b) For purposes of the calculation of the Secured Leverage Ratio calculation, the Company may treat any amount of future Indebtedness as outstanding Indebtedness secured by a Lien and may then later incur a Lien with respect to such amount of Indebtedness without complying with Section 4.06.

c) For the avoidance of doubt, an increase in the amount of Indebtedness in connection with any accrual of interest, accretion of accreted value, amortization of original issue discount, payment of interest in the form of additional Indebtedness with the same terms, and accretion of original issue discount and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness, shall not constitute an assumption, incurrence or guarantee for the purposes of this Section 4.06, so long as the original Liens securing such Indebtedness were permitted under the Indenture.

Section 4.07 Limitations on Sale and Leaseback Transactions

The Company will not and will not permit any Restricted Subsidiary to enter into any arrangement with any Person to lease a Principal Property (a “*Sale and Leaseback Transaction*”) (except for any arrangements that exist on the date the Notes are issued or that exist at the time any Person that owns a Principal Property becomes a Restricted Subsidiary) which has been or is to be sold by the Company or the Restricted Subsidiary to such Person unless:

a) such Sale and Leaseback arrangement involves a lease for a term of not more than three years;

- b) such Sale and Leaseback arrangement is entered into between the Company and any Subsidiary or between the Company's Subsidiaries;
- c) the Company or the Restricted Subsidiary would be entitled to incur Indebtedness secured by a Lien on the Principal Property at least equal in amount to the Attributable Indebtedness permitted pursuant to Section 4.08 without having to secure equally and ratably the Notes;
- d) the proceeds of such Sale and Leaseback arrangement are at least equal to the fair market value (as determined by the Company's Board of Directors in good faith) of the Principal Property and the Company applies within 180 days after the sale an amount equal to the greater of the net proceeds of the sale or the Attributable Indebtedness associated with the Principal Property to (i) the retirement of long-term debt for borrowed money that is not subordinated to the Notes and that is not debt to the Company or a Subsidiary, or (ii) the purchase or development of other comparable property; or
- e) the sale and leaseback arrangement is entered into within 180 days after the initial acquisition of the Principal Property subject to the sale and leaseback arrangement.

Section 4.08 Exemption from Limitations on Liens and Limitations on Sale and Leaseback Transactions

Notwithstanding the limitations described under Sections 4.06 and 4.07, the Company and its Restricted Subsidiaries are permitted to enter into Sale and Leaseback Transactions with respect to Principal Property that would not otherwise be permitted under the limitations described under Sections 4.06 and 4.07, provided that, after giving effect thereto and at the time of determination, the Attributable Indebtedness with respect to all such Sale and Leaseback Transactions (excluding Attributable Indebtedness with respect to such Sale and Leaseback Transactions entered into in reliance on the exceptions described in Section 4.07) at any time outstanding does not exceed the greater of (i) \$440 million and (ii) 10% of Total Assets, measured at the date of incurrence (provided that any fees and expenses (including any premium and defeasance costs) incurred in connection with the replacement, refinancing, restructuring, extension or renewal pursuant to this Section 4.08 of Indebtedness originally incurred pursuant to this Section 4.08 shall not be deemed to constitute Indebtedness for purposes of calculating the aggregate amount of Indebtedness that may be incurred pursuant to this Section 4.08 upon such replacement, refinancing, restructuring, extension or renewal).

Section 4.09 Repurchase at the Option of Holders upon a Change of Control Triggering Event.

a) If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem the Notes as described in Section 3.07, Holders of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to the offer described below (the "*Change of Control Offer*"). In the Change of Control Offer, the Company shall offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the date of purchase (the "*Change of Control Payment*").

b) Within 30 days following any Change of Control Triggering Event, or, at the Company's option, prior to the date of consummation of any Change of Control, but after public announcement of the pending Change of Control, the Company will mail (or deliver electronically) a notice to Holders of Notes, with a copy to the Trustee, describing the transaction or transactions that constitute the Change of Control and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 10 days and no later than 60 days from the date such notice is delivered (the "*Change of Control Payment Date*"), pursuant to the procedures required hereunder and described in such notice. The repurchase obligation with respect to any notice delivered prior to the consummation of the Change of Control shall be conditioned on the Change of Control Triggering Event occurring on or prior to the payment date specified in the notice.

c) To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.09, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations hereunder by virtue of such conflicts.

d) On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (iii) deliver or cause to be delivered to the Trustee the Notes properly accepted.

e) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

f) The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

g) In the event that Holders of not less than 90% of the aggregate principal amount of outstanding Notes accept a Change of Control Offer and the Company purchases all of the Notes held by such Holders, the Company will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to the Change of Control Offer described above, to redeem all of the Notes that remain outstanding following such purchase at a redemption price equal to the Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, on the Notes that remain outstanding, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

Section 4.10 Additional Guarantees

a) If a Domestic Subsidiary enters into a guarantee (such guarantee being referred to as the “*Triggering Guarantee*”) of Senior Indebtedness of the Company under the Credit Agreement or the Company’s then primary credit facility with lenders, then the Company will, within 10 Business Days, cause such Domestic Subsidiary to execute and deliver to the Trustee a supplemental indenture pursuant to which such Domestic Subsidiary will guarantee payment of the Notes on the same terms and conditions as the original Guarantees from the initial Guarantors with such limitations as are set forth in the Triggering Guarantee.

b) A Guarantor will be automatically released and relieved from all its obligations under its Guarantee in the following circumstances:

(i) upon the sale or other disposition (including by way of consolidation or merger), in one transaction or a series of related transactions, of at least a majority of the total voting power of the Capital Stock or other interests in such Guarantor (other than to the Company or any of its Domestic Subsidiaries), as permitted hereunder;

(ii) upon the sale or disposition of all or substantially all the assets of such Guarantor (other than to the Company or any of its Domestic Subsidiaries), as permitted hereunder; or

(iii) if at any time such Guarantor no longer guarantees (or which guarantee is being simultaneously released or will be immediately released after the release of the Guarantor) the Senior Indebtedness of the Company under the Credit Agreement or the Company’s then primary credit facility with lenders.

ARTICLE 5

SUCCESSORS

Article V of the Base Indenture shall be revised in its entirety to read as follows:

Section 5.01 Merger, Consolidation or Sale of Assets

The Company may not: (1) consolidate or merge with or into another Person or (2) sell all or substantially all of its assets to another Person, unless:

1. either:

1. the Company is the surviving Person; or

2. the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made is a Person organized and validly existing under the laws of the United States or any jurisdiction thereof, Canada, Mexico, Switzerland, the United Kingdom or any country that is a member country of the European Union on the Issue Date, and in each case any jurisdiction, state or subdivision of the foregoing;
2. the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale shall have been made assumes all the obligations of the Company under the Notes and this Indenture pursuant to a supplemental indenture satisfactory in form to the Trustee; and
3. immediately after such transaction no Event of Default shall have occurred and be continuing.

Notwithstanding anything else set forth in this Indenture, (i) the Company, directly or indirectly, may consolidate or otherwise merge into or sell all or part of its properties and assets to one or more of its Subsidiaries and (ii) the Company may consolidate or otherwise merge into an affiliate for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company. For the avoidance of doubt, this Section 5.01 shall not apply to transactions by and among the Company and its Subsidiaries.

Section 5.02 Merger, Consolidation or Sale of Assets

Upon any consolidation or merger, or any sale of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor Person formed by such consolidation or into which the Company is merged or to which such transfer is made shall succeed to and be substituted for, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such successor Person had been named therein as the Company, and the Company shall be automatically and unconditionally released from the obligations under the Notes and this Indenture.

ARTICLE 6

DEFAULTS AND REMEDIES

Article VI of the Base Indenture shall control, *provided* that, with respect to the Notes only, Sections 6.01 and 6.02 of the Base Indenture shall be revised in its entirety to read as follows:

Section 6.01 Events of Default

- a) Each of the following is an Event of Default with respect to the Notes:
 - i. failure to pay when due interest, including any additional amounts, on the Notes within 30 days of its due date;

- ii. default in payment of the principal of or premium, if any, on the Notes when due and payable, at maturity, or upon acceleration or redemption;
- iii. the Company remains in default or breach of a covenant, agreement or warranty within any of the Indenture or any Note (other than a covenant included in the Indenture solely for the benefit of debt securities of another series of Notes) for 90 days after the Company receives a written notice of default, which notice must be sent by either the Trustee or holders of at least 30% in principal amount of the outstanding Notes;
- iv. a default resulting in acceleration of Indebtedness of the Company or any of its Restricted Subsidiaries other than intercompany Indebtedness of at least \$75 million in aggregate principal amount, which acceleration has not been rescinded or annulled after 45 days' notice thereof;
- v. a final judgment for the payment of \$75 million or more (excluding any amounts covered by insurance or indemnities) rendered against the Company or any of its Significant Subsidiaries, which judgment is not discharged or stayed within 60 days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished.
- vi. the Company or any of its Significant Subsidiaries pursuant to or within the meaning of Bankruptcy Law:
 - 1. commences a voluntary case,
 - 2. consents to the entry of an order for relief against it in an involuntary case,
 - 3. consents to the appointment of a custodian of it or for all or substantially all of its property, or
 - 4. makes a general assignment for the benefit of its creditors; or
- vii. a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - 1. is for relief against the Company or any of its Significant Subsidiaries in an involuntary case;
 - 2. appoints a custodian of the Company or any of its Significant Subsidiaries or for all or substantially all of the property of the Company or any of its Significant Subsidiaries; or
 - 3. orders the liquidation of the Company or any of its Significant Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished.

b) Any notice of default, notice of acceleration or instruction to the Trustee to provide a notice of default, notice of acceleration or take any other action (a “Noteholder Direction”) provided by any one or more Holders (each, a “Directing Holder”) must be accompanied by a written representation from each such Holder to the Company and the Trustee that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that are not) Net Short (a “Position Representation”), which representation, in the case of a Noteholder Direction relating to a notice of default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Directing Holder’s Position Representation within five business days of request therefor (a “Verification Covenant”). In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee, and DTC shall be entitled to rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provide to the Trustee evidence that the Company has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstated and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter.

c) If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company provides to the Trustee an Officer’s Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstated and any remedy stayed until such time as the Company provides the Trustee with an Officer’s Certificate that the Verification Covenant has been satisfied; provided that the Company shall promptly deliver such Officer’s Certificate to the Trustee upon becoming aware that the Verification Covenant has been satisfied. Any breach of the Position Representation (as evidenced by the delivery to the Trustee of the Officer’s Certificate stating that a Directing Holder failed to satisfy its Verification Covenant) shall result in such Holder’s participation in such Noteholder Direction being disregarded; and if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such default or Event of Default.

d) Notwithstanding anything in Sections 6.01(b) or 6.01(c) to the contrary, any Noteholder Direction delivered to the Trustee during the pendency of an Event of Default as the result of a bankruptcy or similar direction shall not require compliance with Sections 6.01(b) or 6.01(c).

e) For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with the Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability or responsibility to the Company, any Holder or any other Person in connection with any Noteholder Direction or to determine whether or not any Holder has delivered a Position Representation or that such Position Representation conforms with the Indenture or any other agreement and can rely conclusively on the Officer's Certificate delivered by the Company and determinations made by a court of competent jurisdiction.

f) This Section 6.01 shall incorporate the provisions of Section 4.03(g).

Section 6.02 Acceleration

In the case of an Event of Default arising from clause (6) or (7) of Section 6.01 with respect to the Company, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default with respect to the Notes occurs and is continuing, the Trustee by written notice to the Company or the Holders of at least 30% in principal amount of the then outstanding Notes of any series by written notice to the Company (with a copy to the Trustee) may declare the Notes of such series to be due and payable immediately. A notice of default may not be given with respect to any action taken, and reported publicly to holders, more than two years prior to such notice of default. The Holders of a majority in aggregate principal amount of the Notes of any series then outstanding by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences with respect to such series of Notes if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) with respect to the Notes have been cured or waived. A court of competent jurisdiction shall have the power to stay any cure period under this Indenture in the event of litigation regarding whether a Default or Event of Default has occurred.

AMENDMENT, SUPPLEMENT AND WAIVER

With respect to the Notes only, Article IX of the Base Indenture is hereby replaced with the following:

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 of this Supplemental Indenture, the Company and the Trustee may amend or supplement this Supplemental Indenture, the Indenture or the Notes without the consent of any Holders of the Notes for the purpose, among other things, of:

- (1) curing ambiguities, omissions, mistakes, defects or inconsistencies;
- (2) providing for the assumption by a successor corporation of the obligations of the Company under the Indenture or the Notes;
- (3) adding guarantees with respect to the Notes;
- (4) securing the Notes or confirming and evidencing the release, termination, discharging or retaking of any guarantee or Lien with respect to securing the Notes when such release, termination or discharge is provided for under the Indenture or the Notes or any applicable collateral document;
- (5) evidencing and providing for the acceptance and appointment under the Indenture of a successor trustee or successor paying agent pursuant to the requirements under the Indenture or the Notes or to provide for the accession by the Trustee or Paying Agent to the Indenture;
- (6) securing (i) any future *pari passu* Indebtedness, junior priority Indebtedness or *pari passu* obligations to the extent permitted under the Indenture or the Notes or (ii) any Existing Notes or any guarantees thereof to the extent required by the indenture governing such Existing Notes;
- (7) adding to the covenants of the Company for the benefit of some or all of the Holders or surrendering any right or power conferred upon the Company;
- (8) adding additional Events of Default;
- (9) making any change that does not adversely affect in any material respect the rights of any Holder under the Indenture;

- (10) changing or eliminating any provisions of the Indenture so long as there are no Holders entitled to the benefit of the provisions;
- (11) complying with any requirement of the SEC in connection with the qualification of the Indenture under the Trust Indenture Act of 1939, as amended;
- (12) conforming the provisions of the Indenture and the Notes to the “Description of Notes” section in the Offering Memorandum;
- (13) supplementing any of the provisions of the Indenture to such extent as shall be necessary to permit or facilitate the defeasance and discharge of the Notes so long as any such action shall not adversely affect the interests of any Holder of the Notes;
- (14) permitting the authentication and delivery of Additional Notes;
- (15) providing for uncertificated Notes in addition to or in place of certificated Notes subject to applicable laws;
- (16) complying with obligations under Article V of the Base Indenture;
- (17) evidencing the release of any guarantor pursuant to the terms of the Indenture;
- (18) providing for Notes without the Private Placement Legend; or
- (19) making any amendment to the provisions of the Indenture or the Notes to eliminate the effect of any Accounting Change or in the application thereof as described in the last paragraph of the definition of “GAAP.”

Upon the request of the Company, and upon receipt by the Trustee an Officer’s Certificate and an Opinion of Counsel pursuant to Section 9.06, the Trustee shall join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Supplemental Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Supplemental Indenture or otherwise.

Section 9.02 With Consent of Holders of Notes.

Except as provided below in this Section 9.02, this Supplemental Indenture, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the outstanding Notes affected (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes) and, subject to Sections 6.04 and 6.07, any existing Default or compliance with any provision of the Indenture or the Notes may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or a tender offer or exchange offer for, Notes). Section 2.08 shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Company and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of such Notes as aforesaid, and upon receipt by the Trustee of an Officer's Certificate and an Opinion of Counsel pursuant to Section 9.06, the Trustee shall join with the Company in the execution of any amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties or immunities under the Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the outstanding Notes may waive compliance in a particular instance by the Company with any provision of the Indenture or such Notes. However, without the consent of each Holder affected thereby, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) extend the maturity of any payment of principal of or any installment of interest on the Notes;
- (2) reduce the principal amount of any Note, or the interest thereon, or any premium payable on any Note upon redemption thereof;
- (3) change the Company's obligation to pay additional amounts;
- (4) change any place of payment where, or the currency in which, any Note or any premium or interest is payable;
- (5) change the ranking of the Notes;
- (6) impair the right to sue for the enforcement of any payment on or with respect to any Note; or
- (7) reduce the percentage in principal amount of outstanding Notes required to consent to any supplemental indenture, any waiver of compliance with provisions of the Indenture or specific defaults and their consequences provided for in the Indenture, or otherwise modify the sections in the Indenture relating to these consents.

For the avoidance of doubt, changes to the definitions of Change of Control or Change of Control Triggering Event or to the covenants in Sections 4.07 and 4.08 hereto shall not be deemed to be changes requiring the consent of each Holder of Notes affected thereby.

Section 9.03 [Intentionally Omitted]

Section 9.04 Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent thereto by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 Notation on or Exchange of Notes.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, etc.

The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amended or supplemental indenture, the Trustee shall be provided with and (subject to Section 7.01 of the Base Indenture) shall be fully protected in relying upon, in addition to the documents required by Section 11.04 of the Base Indenture, an Officer's Certificate and an Opinion of Counsel, in each case from the Company, stating that the execution of such amended or supplemental indenture is authorized or permitted by the Indenture.

5.625% Notes due 2033 (the “Notes”)

Capitalized terms used herein shall have the meanings assigned to them in the Supplemental Indenture referred to below unless otherwise indicated.

1. INTEREST. WYNDHAM HOTELS & RESORTS, INC., a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Note at the rate of 5.625% per annum from the Issue Date until maturity. The Company will pay interest semi-annually in arrears on March 1 and September 1 of each year (each an “Interest Payment Date”), or if any such day is not a Business Day, on the next succeeding Business Day. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be September 1, 2026. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest from time to time on demand at the rate borne by the Notes. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. METHOD OF PAYMENT. The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on February 15 and August 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Supplemental Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within the United States, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest and premium on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, U.S. Bank Trust Company, National Association, the Trustee under the Supplemental Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. INDENTURE. The Company issued the Notes under an Indenture, dated as of April 13, 2018 (as amended, supplemented or otherwise modified through the date hereof, the “Base Indenture”), between the Company and the Trustee, as supplemented by the Seventh Supplemental Indenture, dated as of February 27, 2026 (the “Supplemental Indenture” and together with the Base Indenture, the “Indenture”), between the Company and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. To the extent any provision of the Supplemental Indenture conflicts with the express provisions of the Base Indenture, the provisions of the Supplemental Indenture shall govern and be controlling.

5. OPTIONAL REDEMPTION.

a) At any time prior to March 1, 2029, the Company may, at its option, redeem all or any portion of the Notes on not less than 10 nor more than 60 days' prior notice mailed (or, in the case of Global Notes, delivered electronically in accordance with the procedures of the Depositary) to Holders of the Notes to be redeemed at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to:

- i. 100% of the principal amount of the Notes to be redeemed; and
- ii. (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Notes matured on March 1, 2029 on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points less (b) interest accrued to the date of redemption,

plus, in either case, accrued and unpaid interest thereon to, but excluding, the redemption date.

b) At any time and from time to time on or after March 1, 2029, the Company may redeem the Notes in whole or in part, at the Company's option, upon not less than 10 nor more than 60 days' prior notice mailed (or, in the case of global notes, delivered electronically in accordance with the procedures of the Depositary) to Holders of the Notes to be redeemed at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the twelve-month period beginning on March 1 of the year indicated below:

<u>Year</u>	<u>Price</u>
2029	102.813%
2030	101.406%
2031 and thereafter	100.000%

c) At any time and from time to time prior to March 1, 2029, the Company may redeem Notes, at its option, upon notice, with the Net Cash Proceeds received by the Company from any Equity Offering at a redemption price equal to 105.625% of the principal amount of such Notes being redeemed, plus accrued and unpaid interest, if any, to, but excluding, the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the aggregate principal amount of the Notes issued under the Indenture on the Issue Date (including Additional Notes); provided that

- (1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering, and
- (2) not less than 50% of the original aggregate principal amount of the Notes remain outstanding immediately thereafter (including Notes that are being called for redemption but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all the Notes are redeemed substantially concurrently.

d) Any redemption and notice of redemption may, at the Company's option, be subject to the satisfaction of one or more conditions precedent (including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event), and may include multiple amounts of Notes that may be redeemed and the conditions precedent applicable to such amounts. Such notice shall state that, at the Company's discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. Notice of any redemption in respect thereof may be given prior to the completion thereof and may be partial as a result of only some of the conditions being satisfied. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

e) If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest, if any, will be paid on the redemption date to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Company.

6. MANDATORY REDEMPTION. The Company shall not be required to make mandatory redemption payments with respect to the Notes.

7. [Intentionally Omitted]

8. REPURCHASE AT OPTION OF HOLDER.

If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem the Notes as described in Section 3.07 of the Supplemental Indenture, Holders of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to the offer described below (the "*Change of Control Offer*"). In the Change of Control Offer, the Company shall offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the date of purchase (the "*Change of Control Payment*").

Within 30 days following any Change of Control Triggering Event, or, at the Company's option, prior to the date of consummation of any Change of Control, but after public announcement of the pending Change of Control, the Company will mail (or deliver electronically) a notice to Holders of Notes, with a copy to the Trustee, describing the transaction or transactions that constitute the Change of Control and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 10 days and no later than 60 days from the date such notice is delivered (the "*Change of Control Payment Date*"), pursuant to the procedures required hereunder and described in such notice. The repurchase obligation with respect to any notice delivered prior to the consummation of the Change of Control shall be conditioned on the Change of Control Triggering Event occurring on or prior to the payment date specified in the notice.

To the extent that the provisions of any securities laws or regulations conflict with the provisions of this section, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations hereunder by virtue of such conflicts.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

- a) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- b) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- c) deliver or cause to be delivered to the Trustee the Notes properly accepted.

The Paying Agent will promptly deliver to each Holder of Notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; provided that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

In the event that Holders of not less than 90% of the aggregate principal amount of outstanding Notes accept a Change of Control Offer and the Company purchases all of the Notes held by such Holders, the Company will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to the Change of Control Offer described above, to redeem all of the Notes that remain outstanding following such purchase at a redemption price equal to the Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest on the Notes that remain outstanding, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

9. DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Supplemental Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents, and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Supplemental Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes.

11. AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Supplemental Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Any existing Default or compliance with any provision of the Supplemental Indenture or the Notes (other than any provision relating to the right of any Holder to bring suit for the enforcement of any payment of principal, premium, if any, any interest on the Note, on or after the scheduled due dates expressed herein) may be waived, including by way of amendment, with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of a Note, the Company, the Guarantors (if applicable) and the Trustee may amend or supplement the Supplemental Indenture or the Notes as set forth in Section 9.01 of the Indenture.

12. DEFAULTS AND REMEDIES. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

13. TRUSTEE DEALINGS WITH COMPANY. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. NO RECOURSE AGAINST OTHERS. A director, officer, employee, incorporator, member or stockholder of the Company or the Guarantors, as such, shall not have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

15. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS NOTE AND THE INDENTURE WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. EACH OF THE PARTIES HERETO AND THE HOLDERS AGREE TO SUBMIT TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS NOTE.

16. AUTHENTICATION. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

18. CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
